FROM THE PASTOR

Dear Friends,

Easter morning begins in the darkness. It begins with a group of people (mostly women...) who set out into the wilderness of not knowing what they may or may not find. Yet out of the dark, out of the wilderness, out of the empty tomb, Jesus comes to life. When we experience this story something comes to life in each one of us. Part of what makes Easter so powerful for us is this story is about more than just one person rising from the dead. Easter is about a community called to share the story of new life. The women share the story with the disciples. Depending on the Gospel account you read, one or more of the disciples race around to tell the stories to the other disciples about what they have seen. The story continues to spread and the community of believers begin to grow and flourish after Jesus' resurrection.

Easter is about new life and how that life and love grows. A few days before the ashes marked our foreheads and the journey into the wilderness of Lent began, a group of six greeted the darkness of the early morning for a flight headed to Jamaica. The mission partnership between Gates Presbyterian Church and the Negril Charge of the United Church of Jamaica began fourteen years ago. This trip marked the first year the relationship "changed hands" to the new pastor at the Negril Charge (the Rev. Kimberly Hines) and myself. There were many "wilderness" moments on the trip!

- What exactly are we painting?
- What hymn are we singing?
- What do you mean the bank doesn't have any money?
- Do you think those kids are our age?
- How long is the power going to be out this time?
- Melissa, do we have to walk to dinner **AGAIN??!!**

The most significant "wilderness" moment going into the trip was wondering if our mission relationship would experience resurrection and be filled with new life in spite of leadership changes. The mission team from GPC celebrated the moment we felt new life springing forth. As we heard the stories of our faith shared in worship, as we shared the stories of our lives with new friends, as we imagined the new stories that will come from our churches living the good news of God's love together, the story of Easter lived on in each of us. Thank you GPC, for hearing the stories of new life in our mission partnership in Jamaica.

May all the stories of Easter happening at GPC live on and be shared!

~ Melissa

Connecting in Community through Bible Study

Every Wednesday evening 6:30-7:30pm in the Junior High Lounge a community gathers to nurture one another through spiritual formation, prayer, and Biblical exploration. Whether you have been reading the Bible your whole life or this is your first time, you are welcome!

You don't have to but if you would like to read ahead for that week, here is a look at what the scripture text will be. A great website to find the scripture texts in different versions:

FROM PUBLIC WORSHIP COMMITTEE

Did you know?

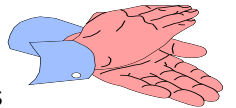

Church services at GPC are recorded weekly and then made available for future listening on our website! Go to www.gatespres.org, select the "Recorded Services" link on the main page, click on the service you want to hear and experience yet another way we can be "church together". The recorded services are mp3 files and are listed by date (year/month/day). To access the complete listing—dating back to October 2011—click on the "Click Here" link at the bottom of the Recorded Services page. Please see Tom Ward if you have any questions.

Did you also know?

There are earphones available for the hearing impaired. If you are having difficulty hearing the service, stop and talk to Tom at the sound booth on Sundays and he will provide you with a set of headphones to wear that pick up the service and allow you to control the volume.

MEMBERSHIP AND HOSPITALITY

The Membership and Hospitality Committee would like to extend a big thank you to all the volunteers that helped out with the parking lot valet service this past winter and early spring. This winter was one for the record books and seemed like it would never end. We sure had our share of snow and wind and way too many cold days. Once again, it was very pleasing to hear so many thankful comments about this service. Coming to Church early on a cold, windy and snowy Sunday is not something everyone looks forward to, but the volunteers braved the elements and never hesitated when asked to help out. This extra effort offered on Sundays, some of which were very, very cold shows just how willing people of GPC are to step right in and lend a helping hand. This is truly a caring Church family and we should all be very proud of the willingness these volunteers have shown to help others out. Thank You To All Of You!

GIANT COMMUNITY FLEA MARKET

"What do you get when you ask people for opinions?" Lots of 'em! Our Planning Team has listened to everyone who has spoken up and discussed several scenarios of ways we could plan this fundraiser and, in the end ... the team has spoken!

We will **NOT** be having a TRADITIONAL Yard Sale or Craft Sale as part of the Flea Market. What we **WILL** have will be both Outdoor and Indoor Flea Market spaces for sale to the community.

Plans for just a few old Yard Sale departments, though, have been firmed up. We will have: baby and children's clothes, a book sale, a jewelry sale and a baked food sale. Lunch food, as usual, will be sold by and for the benefit of the youth groups to be used toward their mission trips. To those of you who checked "Yard Sale" on your 2015 Time & Talent Form, please think about how you might help this year. Participating for 2-3 hours or more in any capacity would be of great help.

We are prepared to start advertising for vendors now, **and that could include you** if you have items at home or in your garage you'd like to sell. Stay tuned to news of our progress in the coming weeks. If you have any questions, call Ginny Barley at 426-8427. Registration forms to be a vendor are available in the narthex, and volunteer sign-up sheets will be posted in early May. Thank You and God Bless!
