

## FROM THE STATED SUPPLY ASSOCIATE PASTOR . . .

If there's any doubt that we have some first-rate optimists at GPC, remember one thing: Easter's outdoor service. This year's sunrise worship was planned while huge drifts of snow covered the front yard. We put out ads to the Gates-Chili post promising an outdoor, sunrise Easter service, as if the snow would magically disappear before then. And yet, Easter morning came and we were blessedly snow free . . . until our second service.

We've had some false starts in this year's spring season, but thankfully Easter season is more dependable. Even with snow coming down, we still celebrated Christ's resurrection and the new life he brought to the world. And now, in this Easter season, we have plenty of new life to celebrate in our church.

Spring has brought with it more sunlight and later sunsets. There are a few brave flowers poking up from the ground, and our Mother's Day flower sale will bring even more blooms into our homes. Our young adults had a mission day outside (finally!) at Grace House, and are preparing for a Habitat build day in June. The preschool even has new baby chicks to welcome to the world, who are growing fast. All around us, the world is bursting with new life and new hope.

At GPC, the joy of new life will continue all the way through the Easter season, into Pentecost. We're eagerly preparing an inquirer's day for people who are interested in joining GPC and becoming an official part of our congregation's life and mission. We'll be welcoming them as new members in worship on May 17<sup>th</sup>, and celebrating their commitment to the church. Pentecost's joyous worship will remind us all of the Holy Spirit's power to bring new life, from Biblical times into today.

At the end of May our confirmation class will lead worship as the newest members of the church, sharing their faith journeys with us in a special Fus!on Sunday service. The class has worked hard throughout the year to explore their beliefs and be part of many different activities in the church, finding the places where they can use their gifts to serve God in our congregation. I'm proud of their amazing journey, and excited to watch them become an official part of our church family as members.

Of course, the new life in Easter season doesn't end with new members or new flowers on the windowsill. We've come through Lent, a time of wilderness and connection in difficult times. I hope you take this Easter season as a time of new opportunities and growth, when we can connect and celebrate together. What a wonderful time to enjoy the sunshine!

Peace,  
Katie

## Covenant for the Session of Gates Presbyterian Church

Every year the GPC session spends time at the beginning of the year prayerfully considering the ways we promise to be accountable, and hold each other accountable to God, to each other, and to the congregation.

### Our Promises to God

Dear God we acknowledge that we cannot "fix" the church or each other and it is your grace that makes us whole.

We the Session of Gates Presbyterian Church covenant to:

### Our Promises to Each Other *and Ourselves*

We covenant with each other *and to our self* to:

- Pray for each other, including the joys and concerns raised in our meetings.

- Listen, respect, love, forgive, challenge, and encourage each other.
- 

### Our Promises to the Congregation

- Pray for the congregation as a community of faith and the members in it.
- Lead by example.
- Get to know the members of the congregation, especially those we may not know as well or don't sit near "our pew."

## **GPC MEMORIAL GARDEN**

The Memorial Garden was created as a hallowed place for the interment of ashes of our faithful departed. This garden has been dedicated in the spirit of closing the ministry from birth to death.

The Memorial Garden increases our choices by providing a sacred space, not a cemetery, on our church grounds to remember those who have passed away. The Garden is also used as a special gathering place for prayer and meditation.

The Memorial Garden has been financially self-sustaining and continues to be maintained through the use of Memorial Garden donations, fees paid for the interment of cremains and the sale of engraved bricks that will be placed in the memorial walkway.

Sales of the engraved bricks continues to be available and forms can be found in the information rack outside the church office and on the GPC website [www.gatespres.org](http://www.gatespres.org) under the Links tab - Forms & Documents. The cost for an engraved brick is \$100. Donations to the Memorial Garden are always welcome.

If you would like more information regarding the Memorial Garden please contact a member of the Memorial Garden Committee, Ed Coons, Rev. Melissa DeRosia, Carmella Judd, Mary Hughes, Babe Meyer, Barb Snaith, Eric Vail.

## **STEWARDSHIP & BUDGET QUARTERLY FINANCIAL UPDATE:**

It's hard to believe we are already one quarter or 25% through 2015, but wanted to provide an update of our financial position as of the end of March. As we also experienced last year, the winter was not kind to us which is reflected in the fact that our heating and snowplowing costs are well over budget for the first three months. Despite the current deficit, although slightly better than 2014, we are covering payroll and managing our payments carefully. We appreciate you keeping current with pledges as well as paying your Per Capita of \$29.38, if you have not already done so. If you have any questions about the information below, please talk with the Elders on the Budget and Stewardship Committee (Linda Beattie and Carrie Dykes) or a Session member.

## MISSION

Please join us on **Sunday, May 17, 2015** during 2<sup>nd</sup> Hour (11:15am) to hear Sister Grace Miller from the House of Mercy. She will speak to us about all the wonderful things that they do for the homeless. Sanctuary Village was created by the House of Mercy and she will provide a status update. Here is some background on the House of Mercy:

## The House of Mercy

### Making a Difference

In 1985, Sister Grace Miller could see that homelessness was a big problem in Rochester, N.Y.; and, there weren't enough shelters to meet the need. So she went to work! With help from the Sisters of Mercy, she opened a shelter in a small house on Central Park just north of downtown Rochester. "As soon as we opened the door, people flooded in," she recalls.

The House of Mercy now provides a wide range of valuable services to more than 4,000 people a month. Its unique and compassionate approach to assistance has attracted a growing number of supporters throughout the community.

Operating around the clock on a shoestring budget with a very small team, the House of Mercy continues to be a beacon of hope for the poorest of the poor. We never give up on the people we serve.

## GROWING IN FAITH: Bible Study

Every Wednesday evening 6:30-7:30pm in the Jr. Lounge a community gathers to nurture one another through spiritual formation, prayer, and Biblical exploration. Whether you have been reading the Bible your whole life or this is your first time, you are welcome!

You don't have to but if you would like to read ahead for that week, here is a look at what the scripture text will be. A great website to find the scripture texts in different versions:
