We look forward to including as many different types of arts and crafts as possible in our bazaar. **ONLY HAND-CRAFTED ITEMS ARE ALLOWED**; no commercial items will be accepted unless they are incorporated into a finished product. Also, no food items, no imports, no flea market items, and no agents or dealers are allowed. We request that new crafters send a picture of your art or craft to assist us in assigning space.

The charge for the 4'x10' space is \$30. If your display does not fit within this space (ie. L-shaped displays, extended displays), please purchase additional spaces. There are a limited number of tables available for rent at an additional charge of \$7.00 each. Chairs are provided at no cost (please indicate the number of chairs you will need). Send applications in asap-we fill up quickly. Confirmation letters will be sent out in late-July (please provide a self-addressed stamped envelope). Fees are not refundable after Oct. 21, 2016. If we are unable to accommodate you, your check will be returned.
